

2020 INTERIORS BROCHURE

Intellicare
FURNITURE

WHY INTELICARE?

Intellicare Furniture is designed to be the most durable and versatile furniture manufactured anywhere. Fabricated using commercial grade materials, our products are built to handle the rigors of everyday use in healthcare, dormitory and office industries. All of our products are proudly manufactured in our Canadian production facility.

Intellicare provides the ultimate in functionality with completely customizable options to suit any and all applications. No space is ever too tight because all of our products can be modified for size without any additional cost or increase to production lead time. In the event you have a more unique need, Intellicare will design, draw and create a completely made-to-order unit for any situation. If you can think of it we can make it.

We at Intellicare regularly review and update our environmental policies & procedures to ensure a minimal impact on the world we live in. Outfitting your interior environment is our business, but taking care of the planet is our responsibility. Our dedication to living and working green is demonstrated in our product receiving SCS Indoor Air Quality Gold certification. Additionally, we offer consumers seeking LEED credits for their facility the benefit of several LEED qualifications including low emissions and recycled content.

When you believe in your product, it's easy to stand behind. Intellicare is becoming the most trusted name by offering a limited lifetime warranty. Intellicare warrants our products to be free from defects in material and workmanship for the life of the product through normal use. Please see our warranty information for more details regarding our comprehensive lifetime warranty.

All product is manufactured on a per order basis, locally in Mississauga, Ontario, Canada. Our commitment to quality extends throughout the company's ever-growing staff, cultivating a company culture of excellence we're proud of.

ABOUT OUR CASEGOODS

- All sides & backs are 1" thick high density particle board thermally fused with ultra low emission melamine creating a strong skeleton.
- All units are fastened together with 3/4" steel screws & 1" heavy gauge steel brackets. This method of construction ensures our product is the most durable and long lasting.
- Exposed edges on all units are finished using 3mm low emission, impact resistant PVC edging.
- All units are fitted as standard with 4 (four) adjustable steel levelling glides in black, threaded into a steel t-nut with a maximum height of 1.25".
- Optional spillproof tops and drawer faces (thermofoil).
- Optional solid surface tops.
- Drawers on all units use full extension slides with accident prevention safety stoppers and are rated for 125 lbs.
- 30 standard laminate finishes.
- 15 standard & 12 optional handle styles.
- Total customization in size, shape & design.

100 SERIES:

All laminate construction with outset drawer & door faces. 1" Thick panels on top, sides & back, 3/4" thick laminate drawer & door fronts. Laminate overhang top, available in optional thermofoil, hd thermofoil or solid surface. 3mm low emission, impact resistant pvc edging. Treated Fabric	Healthcare, Dormitory, Hospitality	
Vinyl	Healthcare, Dormitory, Hospitality, Office	
Silicone	Healthcare, Dormitory, Hospitality, Office	

INFECTION CONTROL

In today's world Infection Control goes hand-in-hand with the design and production of healthcare grade furniture. In order to cut down on the spread of germs, bacteria and viruses there are steps that can be taken to ensure your investment does not contribute to the spread of infections.* Solid surface tops are a seamless non porous man-made acrylic material that has the look and feel of stone tops that are easy to clean, sustainable and repairable. Included within our standard Meganite Solid Surface line is their AcryMed line of product that has integrated antimicrobial protection from Staphylococcus Aureus Subsp. Aureus (MRSA), Escherichia Coli, Pseudomonas Aeruginosa & Klebsiella Pneumoniae.

Our premium antibacterial laminates from Finsa are manufactured with a standard antibacterial finish.

For upholstery that requires the best infection control our silicone selection is inherently antibacterial and antimicrobial with no additives/chemicals.

Handles are the first part of a casegood product that comes into contact with a user. Our optional handle selection includes 5 choices that have antibacterial/antimicrobial properties that can help prevent infections.

*These features are not 100% effective against all infections, proper care and cleaning need to be observed in order to ensure optimal protection

WARRANTY

CASEGOOD WARRANTY

LIFETIME WARRANTY

Intellicare warrants all products to be free from defects in material and workmanship for the life of the product to the original purchaser. Proof of delivery is the only official document accepted by Intellicare for any claim.

This warranty does not apply to any product which must be repaired or replaced due to nominal wear and tear, overuse, negligence, abuse, accident or the product has been modified by someone other than Intellicare or it's authorized dealers, or without consent from Intellicare directly. The warranty will also not apply in cases of over-exposure to extreme heat and cold, and/or Sunlight and UV rays.

This warranty is made by Intellicare only to purchasers acquiring the product directly from Intellicare, it's authorized dealers, and representatives. Products used for rental, leasing or similar actions are not covered in this warranty.

the following components are also covered under this warranty for a period begiing from the time of delivery.

- Laminate Material 25 years
- Thermoform Material 15 years
- Moving Parts slides, casters and lock 5 years
- Stationary parts like handles and brackets 10 years
- High Impact Edging 10 years
- Exclusions are Light Bulbs, Ballasts, Customers Own Material

SEATING WARRANTY

WOOD FRAMES - 10 YEAR LIMITED WARRANTY DINING, 3 YEAR LIMITED WARRANTY SOFT/LOUNGE CHAIRS:

The frame which is made of kiln-dried hardwood is warranted to the original purchaser against manufacturing defects of the product for ten years from purchase date for dining, three years for lounge/soft seating - product upholstered in original fabric under normal use and conditions.

ALUMINUM FRAMES - 10 YEAR LIMITED WARRANTY DINING, 3 YEAR LIMITED WARRANTY SOFT/LOUNGE CHAIRS:

The frame which is made of extruded aluminum is warranted to the original purchaser against manufacturing defects of the product for ten years from purchase date for dining, three years for lounge/soft seating - product upholstered in original fabric under normal use and conditions.

MECHANISMS - 1 YEAR LIMITED WARRANTY:

Recliner, swivel rocker, and sleeper mechanisms are warranted to be free of defects for one year from the date of purchase. One year parts and labour.

SPRINGS - 5 YEAR LIMITED WARRANTY:

Intellicare Furniture warrants to the original purchaser all springs to be free against breakage due to defective material or workmanship for a period of five years from the date of purchase.

FOAM - 2 YEAR LIMITED WARRANTY:

Intellicare Furniture products utilize high resiliency flame retardant foam in all its upholstered health care products and will warrant the seat foam for two years. The loss of resiliency should not be confused with slight softening and flattening of the polyester fibre and foam that will result from normal use and aging.

CRYPTON, VINYL and SILICONE WARRANTY:

Vinyl and Crypton warranties are dependant upon the mill which produces the product. Please refer to the manufacturer's website for information on warranties for fabrics.

WARRANTY SERVICE:

All claims for service must be made to the distributor where the product was purchased. The claim must be accompanied with the bill of sale. Intellicare Furniture will not be responsible for the packing, shipping or transportation costs from y our facility and the distributor. Approval must be attained from the factory before the distributor can send products in for the proper repairs. Repairs will be made in a responsible time.

MAINTENANCE:

Proper maintenance is required for this warranty to remain valid. Contact your representative for approved maintenance practices. Inspections should be preformed on a quarterly basis to maintain proper working condition. Intellicare reserves the right to choose to repair or replace any claims and consent from Intellicare must be obtained before any warranty work is performed. Shipping costs of replacement parts, installation and downtime costs associated with warranty work to be the responsibility of Intellicare's authorized dealer/ representative. When repairing or replacing a defective product, Intellicare does not guarantee matching color, grain texture or dye lots. This warranty does not cover the cost of transportation or labor. Under no circumstances shall Intellicare be liable for accidental or consequential damages, or mishandling of the product. Nor will Intellicare accept responsibility in the case of mis-installation or transit damages or incorrectly ordered products and components. The above Intellicare warranty applies to products manufactured after January 1, 2006.
